

Longhorns Gym Strip

We are excited to have a new local provider for gym strip and her goal is a maximum two-week delivery.

We have sample sizes at school if needed, but you order directly from them, using this website:

<https://www.flav-our.com/jws>

Each order will be delivered during PE and will be packaged for your individual student. We have a cool new logo, lighter material for t-shirts and long sleeve shirts, and a choice of gym short length, but students can still use John Ware gym strip from previous years if they have it.

It is the responsibility of all students to come prepared for activity. **All students must be wearing a John Ware gym shirt, and they must have changed into athletic bottoms.** We have different styles of gym shorts that are available for purchase and we recommend them. *If a student loses their gym strip, they are responsible for purchasing a replacement.*

If cost is a concern, you must contact the office.

Students should be in John Ware gym strip by our Terry Fox Day, Sept. 21, 2023.

John Ware Top (having a John Ware top is mandatory)		John Ware Bottoms (suggested but not mandatory; however, students MUST be changed into athletic bottoms)
