Commūn-I-Tea

Students will be making and serving coffee, tea, and bannock. We will be participating in a "Bannock-Off" so please come and help us decide whose family recipe is the most tasty! "Don't Panic, There will be Bannock"

We hope you and your family join us for conversations, sharing of ideas, and offerings of insights as we build community together.

Come and meet "Banny", the Wellness Lodge's resident stuffy!
